

ACCV 2022

4-8 December 2022

SPONSORSHIP AND EXHIBITION GUIDE

The 16th Asian Conference on Computer Vision (ACCV'2022) will be held in Macao SAR, China on 4-8 December 2022. ACCV is a leading biennial international conference mainly sponsored by Asian Federation of Computer Vision. This highly successful series provides a premier forum for researchers, developers, and practitioners to present and discuss new problems, solutions, and technologies in computer vision and related areas. ACCV 2022 solicits high-quality original research for publication in its main conference and co-located workshops.

ACCV 2022 will gather top AI researchers and experts from Asia and all over the world, will feature many in-person participants from around the globe. We invite you to participate in the sponsor and exhibitor program for ACCV 2022. This will provide an excellent opportunity to demonstrate your brand to some of the world's brightest minds working in Artificial Intelligence, Robotics, Computer Vision and Machine Learning – areas at the forefront of the world's most exciting technological changes – your brand will additionally be exposed to millions of viewers and readers through media reports on the conference. While participating in the conference you will also have access to Macao's world-class dining, entertainment, and networking opportunities.

Your support of ACCV 2022 will allow us to expand participation in ACCV 2022 by, e.g., providing support to students, junior researchers and avail yourself of job-matching opportunities offered by the ACCV. This increased participation will in turn allow you to increase your brand awareness in the high-tech labour market.

Thank you for your interest in supporting ACCV 2022 and we look forward to welcoming you to Macao, China!

Yours sincerely,

ACCV-2022 Organizing Committee

Venue

ACCV 2022 will be held at Macao SAR, China.

ACCV 2022 will offer plenty space for exhibitions from sponsors and publishers. The nearby location of the coffee breaks and posters will serve to maximize participation and interest in the exhibits.

ACCV 2022 will offer plenty of virtual space for exhibitions from sponsors and publishers. For mobile devices' users, we will also arrange Whova mobile app exhibitor presentations and interactions.

Scope

Based on previous ACCV conferences, we expect the attendance of over 1,000 participants, drawn from the world's top technical universities, research labs, and applied industry companies.

The ACCV 2022 technical standards are very high. Typically, only about 30% or less of submitted papers are selected for oral or poster presentation at ACCV conferences. This means that our participants are drawn from the world's best AI experts.

Objective of the Collaboration

ACCV 2022 thanks all sponsors for their generous support which allows us to increase students' and academic researchers' support.

The easiest and most typical means by which sponsors may contribute to ACCV 2022 is through a flat amount of funding towards the organization of the conference in general. ACCV 2022 is pleased to offer several tiers of benefits to sponsors. In addition, the organizing committee will do its best to accommodate alternative forms of support. The intention of the ACCV 2022 Local Arrangements Committee is to ensure that all sponsors receive the highest recognition in return for their generous support to the conference.

Types of Collaborations

There are two types of collaborations available to ACCV 2022 partners.

- **Main Conference Collaboration**
Sponsors of ACCV 2022 enjoy various benefits, including free registrations to the full technical conference, exhibit spaces, and display of their company logo in printed materials, on signs, on the web site and in the official conference App. See sponsorship levels on the next page.
- **Exhibition** See exhibition information on Page 6.

A breakdown of all collaboration levels and benefits is on the next page. We also accept flat donations in any amount.
